

Way to Go Seal Beach!

You have seen through the exaggerated 2-Story/3-Story issue to the real crisis of a complete **DOWNZONING** of every property the City Council could devalue – Every Residential Property in College Park East, College Park West, The Hill, The Coves, and Old Town

You have seen through the misinformation that the New Zoning Ordinance 1569 only affects Old Town and you realize instead it is a **TAKING** of valuable assets from properties throughout Seal Beach

You have seen through the mindless rush to needless coercion, regulation and enforcement by the City Council and have acted to take the matter into your own hands by supporting a **VOTER'S** referendum halting Ordinance 1569 and making an informed decision with your vote
